

May Half-Term Children's questionnaire responses

- 18 children replied to our survey
- Two thirds of children enjoyed Schools OUT all of the time, and the other third enjoyed it most of the time.
- **95%** of children thought the Schools OUT staff were really friendly
- Over half the children had a hot dinner, and thought the menu offered lots of things they liked to choose from
- **Every** child who responded would **definitely** like to come back to Schools OUT!
- There were lots of things that the children liked about Schools OUT including painting, running, swimming, the staff, the variety of activities, face painting, and football. One typical quote is "I loved the swimming and the bowling. We always have so many activities to do."
- Answers to the question "what was your least favourite thing about Schools OUT" elicited the following responses: time to go home, nothing, going home, nothing in particular.
- **100% of children would definitely recommend Schools OUT to their friends.**
- We had some good feedback about activities the children would like to see included during future sessions. This included dancing, cooking, bouncy castles, tennis, roller skating, dressing up and party games, chess club, organised games on astro turf, like rounders.
